11.0 MODES OF PAYMENT:

Payments are to be made through ATM cards, POS Machines, Bank e-bills and Apps etc. An invoice of a particular payment or for offences committed shall be raised for the payment and receipts for such payments are subsequently generated. The agency's Niger State Motor Vehicle Administration's Software (NiMVAS) shares API with the state NGIRS Consultant (www.nigerigr.com), REV-PAY and collects all revenues accrued by the agency. The agency's NiMVAS is to ensure all vehicular activities across the territory of the state are captured in the state data and tax net to enhance prompt security investigations and blockage of revenue leakages.
